

DSVC CLUB COSTS & LEVEL DESCRIPTIONS 2012 SEASON

Lil DIGS / Non-Travel - \$413/Season (Nov, 2011 – April 2012)

Practice T-shirt Only

NEW THIS YEAR! Lil Digs is a starter program for our youngest participants who wish to get an early start on the game of volleyball, or just want to experience a team sport in a super fun and enjoyable learning environment. Emphasis on proper technique as the foundation of learning to “play” is what it’s all about! Twice a week for 1 hour with not travel or tournament requirement.

ACADEMY / Training Program - \$813/Season (Nov, 2011 - May 2012)

Uniform - DSVC Tourney Tee & Shorts, 1 practice t-shirt

DSVC will offer Academy programs at the 12’s, 14’s and a high school division this season! Academy is designed for younger athletes who are just starting out in the sport, or for those multi-sport athletes who don’t want to miss out on high quality volleyball training while still participating in other sports. The Academy/Training groups will train twice a week for 1.5 hours but not participate in SCVA play, but rather in local scrimmages. Academy players of all ages are trained by our Elite staff and may be offered an opportunity to participate at the full Club level during the season.

LOCAL - \$1,413/Season (Nov, 2011 – May 2012)

Uniform – DSVC Jersey, spandex shorts, 1 practice shirts, socks

Local Competitive teams will be offered at the 12’s and 14’s divisions and are designed for players just starting out in the club environment. Heavy emphasis on proper technique and high level of repetitions will help prepare young athlete for future success in middle school or high school athletics. Teams will play a slightly less intensive tournament schedule (5 SCVA tournaments), however they will practice the full length of the season twice a week for two hours each session. Playing time is equitable for all team members, with an emphasis on skill and team development and an understanding of how to close out a game when possible.

REGIONAL - \$1,983/Season (Nov, 2011 – June 2012)

Uniform – DSVC Jersey, spandex, socks, long-sleeved warm-up, 1 practice shirt

This is the bread and butter of the program and is geared towards the vast majority of our athletes. Regional teams will play a full SCVA schedule, and practice twice a week for two hours for the entire season. Tournaments average one every 2-4 weeks (schedule attached) and will take place in the LA/OC area. Regional teams are geared towards players planning on competing at the high school level or those who are honing their skills for future elite training. Playing time is shared but not necessarily equal for all team members and practice reps are universal for all. Tournament participation will be geared towards team goals and success where athletes will all have an opportunity to contribute to that success based on their abilities and commitment to the team. All costs are included, there are no additional fees. See attached fee schedule. Regional teams will also be encouraged to participate in a post season tournament such as the Summer Soiree in Anaheim in June. Additional fees are required for post season events.

NATIONAL - \$2,478 + Additional Tournaments/Travel Costs

Uniform – 2 DSVC Jerseys, Spandex, Socks, full warm-up suit, duffle bag, 1 practice shirt

DSVC will offer National level teams at all age groups this season. A player selected for a National team will be expected to participate in all three practices per week and commit to the full SCVA season schedule as well as additional Junior National Qualifying events such as the Las Vegas Classic, So Cal Qualifier, and/or other Junior National Qualifying dates to be determined once teams are chosen. The National programs are Varsity and collegiate prep level teams which are assembled to compete successfully at the highest levels possible. Practice reps will be evenly distributed to all players and positions, however competition and tournament goals will be of a varsity or collegiate nature where closing out a game, match, or opponent will be a high priority.

Expenses for Junior National qualifiers and other non-league travel tournaments are not included in these prices and will be discussed as a team once the Director and coaching staff have determined the best possible tournament entry selections for a specific team. Not all National teams will attend the same travel tournaments. Teams are required to participate in a post season tournament based on qualifying process and season finish.
